

Klove serves myself as a resident of the local community. I would be devastated if Klove was to be displaced by an LPFM broadcaster with other programming. I listen to Klove on a daily basis and gain spiritual encouragement. Also Klove is family centered, so it is safe for children to listen to. It doesn't have advertisements. It give up to date new and practical information to use in your daily life. It also offers support to the community, with a prayer line to call 24-7. Klove and Air 1 (sister station), services so many wonderful things to the community, it would be a shame to loss them.
